

## *International Event Planners*

Ms. Sahar Hodaky  
Business Development & Event Director  
Astra Corporate Management/ Cairo

5 March 2006

Dear Sahar:

On behalf of International Event Planners (IEP), I would like to thank you and Astra Management for your invaluable services and support during the recent conferences organized through us in Cairo. These were:

- Egypt Invest 2005 in Nov. 2005 (website: [www.egyptinvest.com](http://www.egyptinvest.com)) under the auspices of the Egyptian Prime Minister his Excellency Mr. Ahmed Nazif
- Road Safety & Traffic Management Feb. 2005 (website: [www.trafficegypt.com](http://www.trafficegypt.com)) under the auspices of Egypt First Lady Her Excellency Mrs. Susan Mubarak/

Your services included but were not limited to media relations, press conferences, public programs outreach, communications between IEP and the different ministries (Commerce, Interior, Economic, Tourism, Communications and the office of the Prime Minister), as well as taking care of the accommodations of the foreign delegates.

Before, throughout and after these two conferences your services were professional, responsive to our needs and those of the delegates, flexible and delivered with extreme attention to details.

We have also received many positive comments on your services from our conference participants and the government delegates both Egyptian and International, and we are happy to work with you as our certified agent for our events both in Egypt and abroad.

Special thanks go to you personally and to your management style

Yours Sincerely,

Raymond Cahill  
Chairman
